CHAIRMAN'S CHATTER

Well some form of new normal is emerging as we will have a face to face monthly meeting this week. There will be an update on how CoM is interpreting the Covid19 Phase 4 now that we know Phase 5 is not going to happen yet. We will also have an opportunity to discuss the new normal and how it affects operation at the Shed,

There are three principle rules in the workshops:

- The wood and metal workshops will have a maximum of 25 and 15 members, respectively.

Kalamunda Men's Shed is a registered charity and all donations are fully tax deductible.

- Members will recognize that social distancing is still desirable and attempt to maintain 1.5m between members in the workshop
- Strong hygiene practices will be used at all times including cleaning benches, tools and hands with antiviral cleaner

It will be particularly important that any member with any symptoms including headache, cold, runny nose, temperature > 37°C, etc stays at home and does not come to the Shed.

Unfortunately, it is still too complicated for the Shed to supply food in the form of BBQ's or unpackaged food at morning tea. Hopefully we can move forward when Phase 5 is introduced.

In the course of the next month CoM hopes to be able to announce plans for some Social Events including the end of year lunch, the Mandurah boat trip and maybe the Spring Breakfast. Watch this space!

Those who attended the Food Sensations for Adults session with Eamon from Foodbank thoroughly enjoyed the four week course. The good news is that we have been offered a re-run on Wednesdays , November 18th, 25th, December 2nd & 9th .

Now that the wood workshop is up and running again this is an opportunity to get a group together and make a number of items. This is a good opportunity to learn new skills together and also to produce some stuff for sale. If you would like to get involved, have a go and talk with Alan in the shed.

Fees are now due

The time is come to pay your fees for the 2020/21 financial year.

 **Existing Members** **\$40**

Our Next Guest Speaker

We are fortunate in having one of our members, **Peter Kenyon OAM**, Director, Bank of I.D.E.A.S. as our next guest speaker. Peter is “a very content and passionate resident of Kalamunda who loves living in, and working from the Hills”. He has an amazing collection of Kodak cameras and the knowledge to go with it. It will be a remarkably interesting talk. We also thank Peter for being prepared to give such a talk at very little notice!

Tips and tricks from Jim and Tony

Have you ever been frustrated by a cable/hose/rope completely entangled? Well Tony has the answer.

How to roll up a cable/rope/hose without entanglement

Step 1 is to set up the cable in the conventional way

Step 2 is to reverse the next loop

Step 3 is to repeat step 1.

You continue in this manner until the cable is rolled up perfectly.

BETTER STILL: Ask Tony for a demo. It is very easy.

Merchandise

Remember we have a good stock of quality hats, caps and shirts (long and short sleeve) and stubby holders. The Shed Boss is available to sell you this KMS specific merchandise.

Thanks

Thanks to all those members who made contributions to our Newsletter and the COVID 19 news sheet over the last few months.

Stuart will be taking over as the Newsletter Editor from next month and I hope you will all continue to provide meaningful and interesting contributions.

THE SENILITY PRAYER

God . . . grant me the senility to forget the people I've never liked anyway, the good fortune to run into the ones that I do like, and the eyesight to see the difference

And, now that I've grown older (but have I grown up?), here's what I've found:

ONE

I started out with nothing. I still have most of it.

TWO

My wild oats have turned into prunes and All Bran.

THREE

I finally got my head together. But now my body is falling apart.

FOUR

If God wanted me to touch my toes, he would have put them on my knees.

FIVE

I spend a lot of time now thinking about the hereafter. I go somewhere to get something and then wonder what I'm there after.

SIX

If all is not lost, where is it?

SEVEN

It was easier to get older than it was to get wiser.

EIGHT

It's hard to make a comeback when you haven't been anywhere.

NINE

When I'm finally holding all the cards, why does everyone decide to play chess?

TEN

Some days you're the dog. Some days you're the hydrant.

ELEVEN

I don't remember ever being absent minded.

TWELVE

I can't remember whether or not I've already TOLD this to you.
